

SCR Recipient Crediting Language

Per NYSCA guidelines, any SCR recipient is required to credit the New York State Council on the Arts as a funding source on any promotional materials, website, programs, etc. using the exact language below:

“This project is made possible with funds from the Statewide Community Re-grants Program, a regrant program of the New York State Council on the Arts with the support of the Office of the Governor and the New York State legislature and administered by Auburn Public Theater.”

Please do NOT use the NYSCA logo on any promotional materials or other media related to the re-granted project; instead, grantees may use ‘#NYSCA’ on social media posts to promote their projects if desired.

SCR recipients are also required to use the Auburn Public Theater logo when crediting the funding source of the project. Logo is found below for recipients use.
