Overview

Founded in 1977, the Decentralization Program (DEC) was developed by the New York State Council on the Arts (NYSCA) to ensure that its cultural funding reaches every part of the state. As of FY2022, this program is called the Statewide Community Regrants Program (SCR). SCR has become one of the council's most effective means of making arts support available to geographically, economically and ethnically diverse segments of the state's population. The program serves each of the state's 62 counties and funds volunteer community organizations as well as established non-profit corporations with paid professional staff.

The SCR program in Cayuga, Seneca, Yates, Wayne and Ontario Counties is administered by Auburn Public Theater in downtown Auburn, New York.

Statewide Community Regrants have three distinct funding categories: Community Arts, Arts Education and Individual Artist.

Goals of the SCR Program

The Statewide Community Regrants program makes arts support available to geographically, economically, and ethnically diverse segments of our 5-county service area. We provide funding to nonprofit community arts organizations, individual artists, and arts educators within Cayuga, Seneca, Wayne, Ontario and Yates Counties that are not currently funded directly by NYSCA. SCR through Auburn Public Theater is committed to supporting diverse cultural expression. The focus of our program includes:

- Support for regional artists by providing them with the resources to create new works, while increasing their visibility
- Helping regional nonprofit organizations grow sustainably as they serve the cultural, artistic and educational needs of their respective communities
- Provide support for a wide variety of artistic disciplines including diverse multi-cultural projects
- To be an advocate for arts support in the region we serve by educating community and government leaders about the NYSCA grant process and all it entails
- To help foster partnerships between arts and non-arts organizations with the goal of bringing the arts to areas with limited access to arts programming
- To encourage new artists and organizations to apply for SCR funding. These include the rural, minority and underserved populations of our region.

What is an underserved community?

Underserved communities are comprised of individuals who have limited access to arts programs, services, or resources and may be marginalized due to geography, race, economic status, gender, gender identity, sexual orientation, age, religion, disability, or other factors.

Individual Artist Grants

Community Impact

This regrant opportunity represents a “live & work” investment in local artists. It is designed to increase support for local artist-initiated activity and to highlight the role of artists as important members of the community.

Individual Artist projects must include a form of community engagement, to be determined by the artist. The purpose is to impact a segment of the community, and it could take the form of a public program or engagement with community members during the creation of the artist’s work.

Artists are not expected to do both a public program and engagement with a segment of the community during the creative process. Rather, they can select the type of engagement that is appropriate for their project.

Engagement through a public program may take the form of an exhibition, performance, reading, screening, workshop, or artist talk that is open to the general public.

Alternatively, artists can include community involvement in the development and creative process of the artists’ project. This can be in the form of feedback, response, interaction and/or social practice by or with community members. Some examples of this type of interaction are interviews with a segment of the community, creation of parallel work by a community group, or stories and anecdotes collected from a community group that relate to the concept or content of the project.

Funding Level

Applicants may submit up to three requests in any combination of categories (Community Arts, Individual Artist, and/or Arts Education) totaling no more than \$5,000, per SCR site. Fiscally sponsored requests are exempt from the sponsor’s three-request limit.

Frequently Asked Questions

If I have received funding in the past, may I apply again?

Of course! If you have received funding in the past, you are eligible to apply again. However, prior funding **does not** guarantee continued support. Each application is reviewed in the context of the current program guidelines, funding priorities, and evaluative criteria. The review panel will also consider compliance with the previous contract and reporting requirements.

When reviewing projects that have received funding in the past, priority will be given to projects that are able to successfully demonstrate growth, artistic expansion, community support, and/or continued community need.

May I apply for funding for more than one project?

A single applicant is able to submit up to three (3) project requests for Community Arts, Arts Education and Individual Artist categories. The maximum total request amount can't exceed \$5,000.

Sponsored applications are exempt from the three-request limit; however, any artist also applying for an Individual Artist Grant cannot request more than \$2,500 in Community Arts and/or Arts Education Grants.

Must I attend an informational workshop?

Attending an informational workshop is **required** for all first-time applicants and highly encouraged for previous grantees. In lieu of attending a workshop, an applicant may meet face-to-face or via Zoom with the SCR Coordinator. The purpose is to give a personalized overview of the SCR program and to familiarize the applicant with the grant guidelines. It also gives applicants the opportunity to consult with the SCR Coordinator on the specifics of their projects and to get feedback before applying.

Incomplete, handwritten, or late applications as well as applications from ineligible organizations will not be considered. All applications must be submitted through the on-line submissions platform Submittable. Applicants must register for Submittable through auburnpublictheater.org/grants/.

After the Deadline

Grant Review Process

Applications are reviewed for eligibility, completeness, and accuracy by APT staff. It is your responsibility to submit a complete and accurate application. As part of the review process, the SCR Coordinator may contact you by telephone or e-mail to clarify and review information. A panel of artists, arts administrators, educators, community leaders, and business people coordinated by Auburn Public Theater will then evaluate each application and recommend a level of funding based on the evaluation criteria, the funding priorities, and the grant guidelines. Upon request, panelists will be furnished with final and interim reports as well as audit information, prior panel comments, and correspondence when considering organizations/individuals who have applied or have been funded in prior years. The panel's recommendations are submitted to and reviewed by the Auburn Public Theater Board of Directors.

Panel Criteria

Awards are based on a **competitive** review process. Due to the strict guidelines, and the competitive nature of the process, **a maximum of 2 Individual Artists per county will receive funding**. Each application is reviewed on the basis of its own merits and against others in the application pool. The panel will make funding recommendations based primarily on the following criteria:

- Artistic merit including artistic and program quality and the expertise of the artists.
- Community demonstration of interest, support and benefit - without duplicating existing programs. Seek to serve a broad constituency.
- Adherence to application guidelines, with clarity and completeness.

- Feasibility - clearly defined project objectives, project implementation and management:
 - Demonstrated ability of personnel to administer project
 - Reasonable project budget
 - Potential effectiveness of proposed promotional efforts throughout the community
 - Applicant's history with program success and contract compliance.

Funding Priorities

- Projects that reflect the cultural traditions or contemporary creative expressions of a particular ethnic group

Low Priority Projects

- Previously funded projects that do not exhibit further growth, artistic expansion, community support, and/or community need
- Projects that duplicate already existing and successful projects

Award Notification

Auburn Public Theater notifies all applicants by e-mail regarding the status of their application after panel review.

Grant checks are issued after a review of the panel comments with Auburn Public Theater staff and receipt of the signed funding contract and all other requested information.

APPEALS PROCESS

In the event that your program is not funded, or funded partially, the below guidelines are set in place to ensure a fair and equal opportunity to all applicants.

Applicants should first consult with the SCR Coordinator to review the considerations that went into the panel decision. If, after consultation, the applicant wishes to pursue an appeal, the applicant must do so in writing with all the material supporting the appeal, addressed to the Artistic Producing Director, Auburn Public Theater. The Artistic Producing Director must receive the written appeal within fifteen (15) calendar days from the issue date of the denial letter. The applicant will receive a written response and the appeal will be assigned to a different panel who will meet to examine the grounds of the appeal. The new panel will provide a recommendation to the Auburn Public Theater's board for final approval.

THE ONLY GROUNDS FOR APPEAL ARE:

1. Non-presentation of application information by staff or panelist.

2. Misrepresentation of application information by staff or panelist.
3. Improper procedure by staff or panelist.

NOTE: DISSATISFACTION WITH THE AMOUNT OF SUPPORT OR A RECOMMENDATION OF "NO FUNDING" CANNOT BE USED AS A BASIS FOR AN APPEAL.
