

## SCR Recipient Crediting Language

To increase awareness of Auburn Public Theater and the Statewide Community Re-grants program, all funded applicants are required to use the following language during promotion of their funded projects:

"This project is made possible with funds from the Statewide Community Re-grants Program, a regrant program of the New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature and administered by Auburn Public Theater."

Note: The NYSCA logo is NOT to be used by SCR regrant recipients. SCR grantees may use “#NYSCA” on social media posts to promote their projects, though not a requirement.

SCR recipients are also required to use the official Auburn Public Theater SCR logo when crediting the funding source of the project. Logo is found below for recipients use.
